This fall, Vermonter are eligible for a 50% tuition discount in certain CCV programs. With generous support from Governor Phil Scott and the Vermont Legislature, the Vermont Tuition Advantage program is designed to help students access education and training for careers in high-demand fields such as:

- Healthcare
- Early Childhood Education
- IT
- Business
- and more

Pharmacy Technician
STEM Studies +

Programs marked with "+" can be completed fully online.
Who is eligible for the Vermont Tuition Advantage?
In order to utilize the Vermont Tuition Advantage, you must be a Vermont resident and be enrolled in an eligible degree or certificate program.

What do I need to do to enroll?
If you are new to CCV or are returning after 4 or more semesters away, you can complete an admissions application and contact your local CCV center to schedule an advising appointment. If you are a current CCV student in an eligible academic program, and you have in-state status, you can simply register for courses.

I’m a current CCV student but not in one of the approved academic programs. Can I request to change my program?
Yes. To request a change, log in and submit a Change Program Form. We strongly encourage you to meet with your academic advisor before making any changes to your academic program as this may impact which and how many courses you need to finish your degree.

What is the deadline?
Funding is awarded on a first come, first-served basis. As long as funds are available, students in an eligible program will automatically receive a 50% tuition discount upon registration.

What costs are covered?
Vermont Tuition Advantage reduces the cost of tuition only. CCV’s administrative and other fees remain the same.

What if I am not enrolled and do not plan to enroll in an eligible program?
CCV is still the most affordable option to further your education and career in Vermont. We have a number of ways to pay for your education. Students with a family income of $75,000 or less are eligible for VSAC’s 802 Opportunity Grant, which provides free tuition to Vermont students. Non-degree students can also apply for an Advancement Grant through VSAC.

Do CCV credits transfer to bachelor’s degree programs?
Yes! It’s easy to transfer your credits to bachelor’s degree programs. CCV has agreements with four-year colleges and universities across Vermont and New England. Learn more about all of your options at ccv.edu/transfer.
