

# VERMONT WORKS FOR WOMEN WOMEN CAN DO!

## OCTOBER 10, 2024

VERMONT TECHNICAL COLLEGE  
RANDOLPH, VT

Vermont Works for Women's Women Can Do is a one-day career exploration conference for girls and gender-expansive youth in grades 9-12. Through this inspiring experience, 400+ high schoolers from around Vermont have the opportunity to try new technical skills, meet industry professionals, and hear directly from women and gender-expansive employees about their careers in fields where their gender is often underrepresented.

**Community support is critical to making this event a success. Help Vermont Works for Women bring the thrill of Women Can Do to Vermont's youth this fall – become a sponsor today!**

Sponsoring this event is an opportunity to connect with female and gender-expansive students interested in learning more about future career opportunities in STEM and trade fields. Below, you will find information on the different levels of involvement available for your business. An investment in WCD is an investment in building a strong Vermont workforce and advancing gender equity.

**Demonstrate your commitment to Vermont's future by sponsoring Women Can Do today; contact Maisie Howard at [mhoward@vtworksforwomen.org](mailto:mhoward@vtworksforwomen.org).**
