

Become a doula!

Improve perinatal outcomes!

Join a team of experienced doulas in Vermont to support families through birth and postpartum. This is a FREE 8 week course where you will learn about the foundations and history of doula care, labor support, perinatal mood disorders, postpartum care and more; with a focus on marginalized populations in Vermont to improve perinatal outcomes.

Training consists of 8 modules on a weekly basis, April 30th – June 18th (Wednesdays) from 12pm – 2pm (trainings both virtual and in-person)

Interested in learning more? Sign up using QR Code below to join us for an informational session on February 7th at 9am.

Individual modules available to established doulas looking to increase knowledge/skill set in specific topic

Created and held in collaboration with Northwestern Counseling & Support Services and Washington County Mental Health Services
