DEPARTMENT OF LABOR

The University of Vermont Medical Center (“UVMHC”) will not discriminate against apprenticeship applicants or apprentices based upon their age (40 and older), ancestry, color, disability, gender identity, marital status, national origin, place of birth, race, religion, genetic information, sex, and sexual orientation. UVMHC will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required by Title 29 of the Code of Federal Regulations, part 30; Title 21 Vermont Statutes Annotated, Labor, Ch. 13, Apprenticeship, and the Vermont State EEO Plan.

Welcome Potential Applicant!

Are you searching for meaningful work, but lack the time, money for education, or experience to progress in a career? If so, we invite you to learn more about an exciting opportunity called *The UVM Medical Center Phlebotomy Apprenticeship Program*, a collaborative effort involving the *US Department of Labor*, *Vermont Department of Labor*, *JobForward*, and *The UVM Medical Center*.

We are now accepting applications! No experience is required. Selected applicants will be immediately employed and participate in our 5-week training program. There are up to ten (10) full-time positions being offered this session.

This program is a highly successful model that provides:

- *Career training, mentoring, and guaranteed employment opportunity with The UVM Medical Center*
- *Superior quality education and professional development*
- *Student-centered learning in small cohorts of up to 10 participants*
- *Accelerated “boot camp” style format, just 5 weeks of training*

Application and Selection Process

1. *All interested applicants must apply online and follow instructions to submit their resumes by **Wednesday, April 30th**.*
2. *Candidates must also attend an Information Session on **Thursday, May 1st**. The Information Session will provide you with detailed information about participation in the program. Attendance at this one-and-a-half-hour event is mandatory for those interested in participating.*
3. *All candidates who are interested in moving forward with the selection process will be invited to take several online basic aptitude assessments. These assessments will take approximately 1 hour, and the link will be sent out following confirmation of attendance at the Information Session. The assessments must be completed by **Monday, May 5th, at noon**.*
4. *Based on the completed application, resume, attendance at the Information Session, and completed aptitude assessments, a group of applicants will be invited back for the first round of interviews with JobForward on **Wednesday, May 7th, and Thursday, May 8th**. The first-round interviews last approximately 40 minutes.*
5. *Based on the results of first-round interviews, application, resume, and aptitude assessment scores, a select number of applicants will be invited back for a second (final) round of interviews with the sponsoring employer, The UVM Medical Center, on **Tuesday, May 13th, and Wednesday, May 14th**.*
6. *Selected employees will begin the training and the apprenticeship on **Monday, June 9th**.*

Final selections are based on a candidate's overall desire and potential for success in the program. Selected candidates will be notified by **Thursday, May 15th, 2025**. The first day of training and employment will be **Monday, June 9th, 2025**.

If you are interested in pursuing this opportunity, you must fill out an online application at www.iaahitec.org/phlebotomy to receive instructions on attending the mandatory Information Session. **Remember, the deadline for applying is Wednesday, April 30th, 2025.** Thank you for considering *The UVM Medical Center Phlebotomy Apprenticeship Program*. We are pleased to provide Vermont residents with the opportunity to obtain exciting careers in healthcare, and we wish you the very best of luck in the selection process.
