

# ENGLISH FOR HEALTHCARE

 AHS-1075-VU01

 Instructor **Marina Brzostoski**

 In-person at CCV-Winooski

 Thursdays, 6:00-9:00 pm

This course is designed for non-native English speakers with the goal of reducing communication obstacles in healthcare settings. Students will learn to recognize and use healthcare terminology for written and oral communications.

## TOPICS COVERED

- Healthcare vocabulary
- Terminology for working in a healthcare setting
- Comprehension of healthcare scenarios
- Healthcare delivery in the United States
