

TRAINING PROGRAM

Start Your Career in Early Childhood Education

Interested in a meaningful career with training and support?

First Steps is a **free, semester-long training program** that prepares adults to enter Vermont's early childhood education workforce. **This program will run September 14, 2026 – December 21, 2026.**

Who Is This Program For?

- Chittenden County residents
- Adults, with higher school diploma or GED, interested in working with young children
- People seeking a career change or new opportunity
- Community members from diverse cultural and linguistic backgrounds
- No prior experience in early childhood education required

What You'll Gain

Graduates leave the program prepared to work as assistant teachers in early childhood settings, with:

- Job-ready skills
- Real classroom experience
- Confidence working with young children
- Connections to local childcare programs

What You'll Receive

- ✓ Early Childhood Fundamentals Course (45 hours), cohort model
- ✓ Pediatric First Aid & CPR Certification
- ✓ Diversity, Equity & Inclusion training
- ✓ Additional early childhood education trainings
- ✓ Hands-on classroom observation
- ✓ Become eligible for a \$800 completion bonus
